GS-1 Adjustable grow table with light mount

GS-3 Wheeled Tray

GS-2 Tray with stand

All tables are made from marine grade aluminum and mild steel.

#### GS-1 Premium grow table benefits:

- Whether your light hangs from a ceiling, or if you have the optional light bracket. You will be able to adjust the table to the light.
- Table has 50" of travel ( 25" to 75" table height ).
- Table can be adjusted with the ergonomic handle or with a drill and 3/4" socket.
- Maintenance of plants is easier when you can raise or lower table. "Sore Backs are a thing of the past"
- Table is easily moved with it four casters mounted to bottom frame.
- The tray will accommodate dirt to grow in, or pots if you prefer. Either way your plants will thrive whether you grow Tomatoes or Cannabis etc.
- Tray is 60" X 60" (48" X 48" optional tray available)
- Optional table top can be made for use as work bench.
- Retail price: \$ 2998.75

#### GS-1 Light bracket accessory :

- Adjusts up to 120" total height.
- Comes with a 48" adjustable frame to fit any light. configuration. (lights not included)
- Retail price : \$ 499.50
